# Dedication

*To W. W. Armstrong*

*We, the class of '52 affectionately dedicate our annual to W. W. Armstrong, who, by his sensible reasoning and fine example carefully molded our characters.*

*From our seventh year any problem, laugh, or gripe could be shared with "Wimpy." (A name we didn't call him to his face — only affectionately behind his back.) And any visit to his office would leave us with a glow of appreciation for a wonderful principal. His ready smile and sympathetic understanding endeared him to each and every one of our class.*

*His profound influence along the pathway of knowledge will remain with us all our lives.*

Shedding a tear or two, perhaps, we, the Seniors, bid WHS farewell. With fond memories of Ditch Day, Kid Day, the Senior Faculty Picnic, the Senior Hop, and much burned midnight oil, due to studying, we now go into the world to, if not change it, at least better it.

With our eyes on the dim vision of a peaceful world, we will strive, with all our gained knowledge and experience to make that vision come into being.

## Juniors

And so the old grind began. But what a grind! Since we were important upper classmen, no one but the Seniors could push us around—but who were they? We immediately began making plans to make ourselves the most outstanding class in school and in our estimation we carried out our ideas. We carried the burden of the Junior-Freshmen dance, topped the Seniors in our concessions at the Bulldog Rumpus, placed five members in the Honor Society, and put ourselves up front by being the only class to enter a float in the Annual City Christmas Parade. Although we didn't win a prize, many people agreed it was a work of art. Because of the many hours devoted to our studies during the first semester, our mid-year exams were no trouble. A fitting conclusion to our year was our production of "Clementine," our minstrel class assembly, and thanks to the hard working prom committee we put on a beautiful Prom.

As we look forward to our next year, we resolve to make it the best and most successful in our high school career.

## Sophomores

To start our Sophomore year off right we elected a fine bunch of hard working officers.

The Sophomore girls made up the majority of those who participated in the Pep Squad initiation, which consisted of all the humiliating things that always happen to Rats.

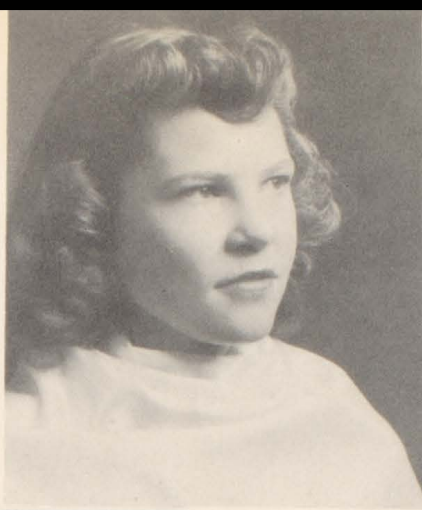

When the Elks Quarterback Club sponsored the annual Football Banquet, our class out did all previous Sophomores by lettering eleven men.

After suffering through semester tests, the year rushed on with the pace of basketball. Flagstaff was the scene of both the Northern and State Tournaments and many Sophomores were spectators to both of these.

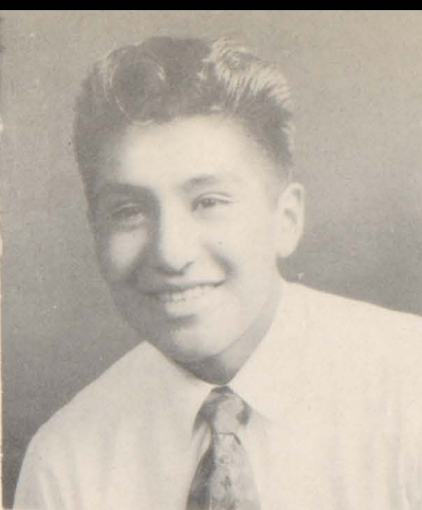

With the aid of the Seniors, our Senior-Sophomore Dance was an affair to be proud of, as was our class assembly. ASC at Flagstaff was the scene of the NAIA Music Festival and many of the participants were from the class of '54.

May saw the close of school with its tests, assemblies and spring fever. With the anticipation for better things to come, we look back over our year of Sophomores as one well spent, and look forward to our Junior year as the most thrilling yet.

## Freshmen

We started our careers as high school students with the title of "Frosh", but before long we were knocked down a peg or two from our former standing of the "almighty" eighth-graders.

We helped the Juniors put on the Junior-Freshman dance which we thought was a hit. Then came the honor of winning first prize in the Rumpus Parade. Our candidates for the Bulldog Rumpus King and Queen were Johnny Campbell and Joyce Parker. And our choice for "Miss Merry Christmas" was Jackie Gunn. In our Freshman Assembly we had something unusual, but you have to admit that it was good!

As the close of the year comes we are looking forward to be Sophomores, but the memories of our "Frosh" year still linger on.

## FLAGSTAFF

Playing the first of two games scheduled with arch rival Flagstaff, the Bulldogs tasted bitter defeat as WHS was trounced by a strong Eagle squad that outweighed and outmanned an inexperienced Winslow eleven.

## ROUND VALLEY

After their loss to Flagstaff the Bulldogs came roaring back to win over Round Valley as they rolled up yardage and first downs against the Elks. Winslow gave RV no mercy in rolling up their highest score in one single game of the season.

## KINGMAN

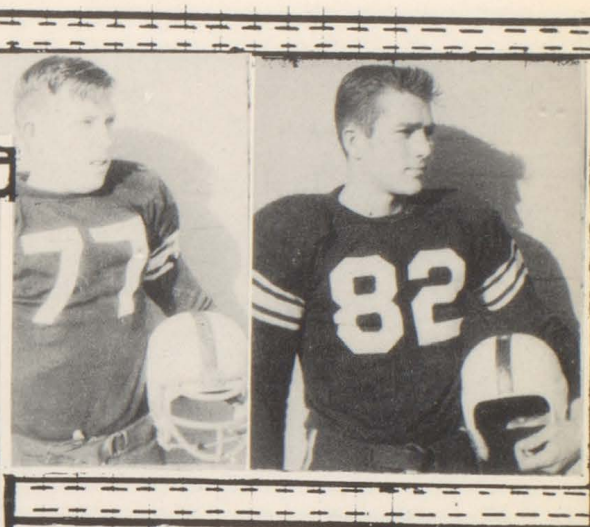

Against a highly touted Kingman eleven, WHS continued its winning ways. Winslow led throughout the game until Kingman pushed over a last minute TD due to numerous penalties called against Winslow.

## MINGUS

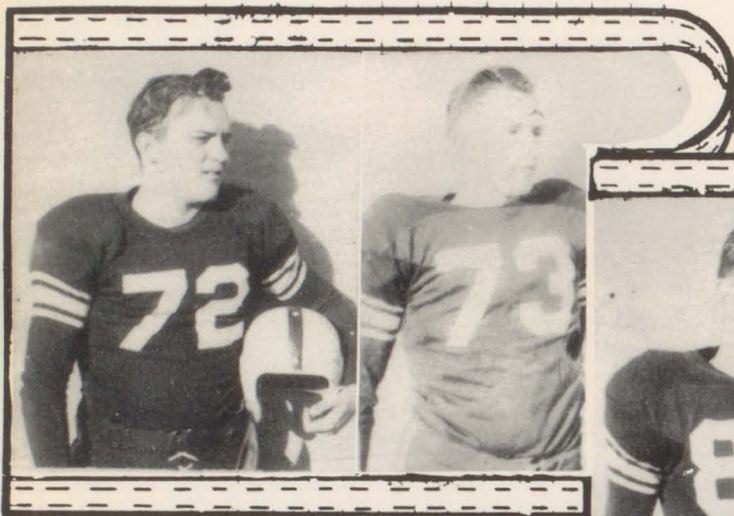

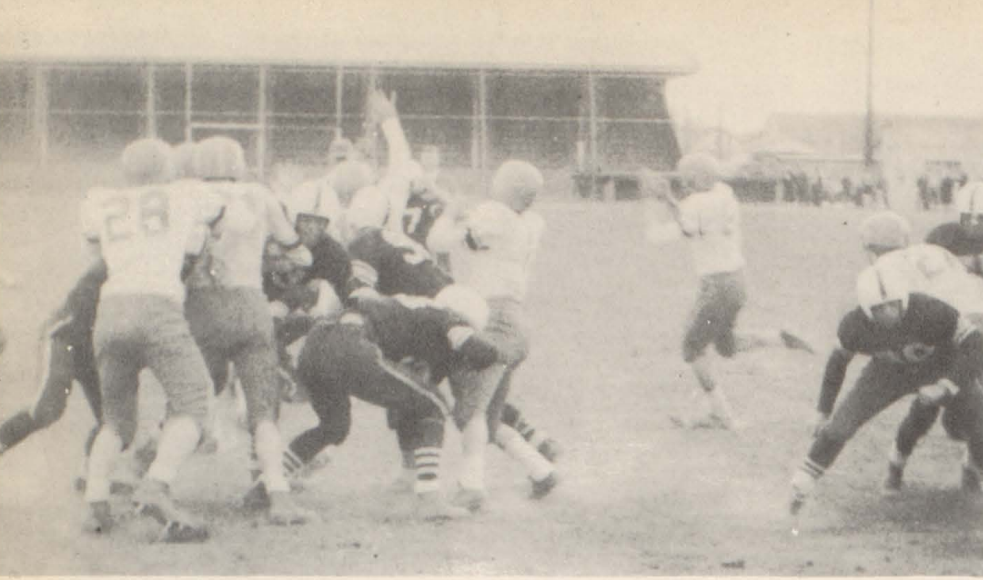

There were high hopes for Winslow as they journeyed to Clarksdale to engage with the newly formed Mingus high school. But the Bulldogs were not able to penetrate the Mingus defense while the Rams scored twice in the second half to win the ball game.

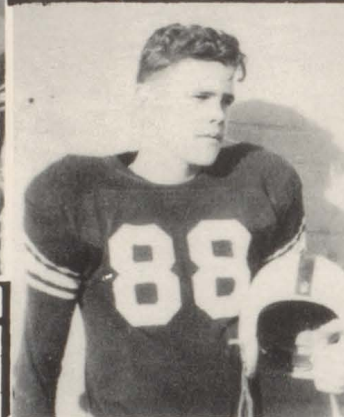

## SNOWFLAKE

Inspired by its first hometown crowd, the Bulldogs downed Snowflake to bounce back into the win column. The Lobos scored three TD's, but Winslow tallied one more in a contest highlighted by long gains.

Winslow lost to a big and burly Prescott team, although it was generally rated the Bulldog's best played game of the season. It looked as if WHS was to suffer another terrific beating, but when the dust had settled Winslow had more than held their own against the Class A Badgers.

## ST. JOHNS

Probably the most disappointing of defeats was suffered by Winslow rooters when the St. Johns Redskins scalped Winslow at Winslow.

## GALLUP

Winslow climaxed its mediocre season with a win over Gallup high school. The Bulldogs looked sharp, to the chagrin of Coach Nasser as it was the last game of the season, but better late than never.

## GENE PISEL

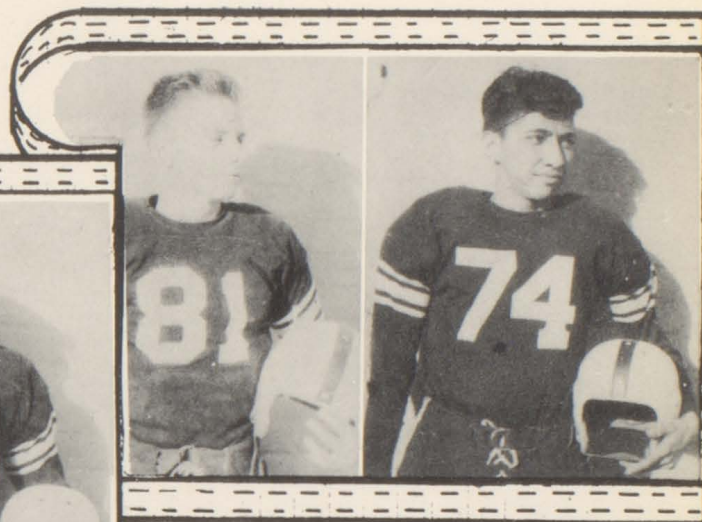

Elected as a co-captain of the 1951 football squad, Gene Pisel was stand-out performer for the Bulldogs. Jovial Gene held down the left guard position and he played inspired ball in the Flagstaff and Prescott games and along with his dependable playing throughout the season has proven that he was worthy of this position.

Coach Nasser

Emil G. Nasser, head WHS football coach, has compiled a fine record since coming from ASC at Flagstaff six years ago. Although this season has been his worst due to numerous setbacks, Winslow High is fortunate to have secured such a capable coach.

Coach Benham

Earl Benham, coaching his first year at WHS, has proved a worthy advisor to Mr. Nasser as assistant football coach. Mr. Benham also has guided the fortunes of the Freshman basketball squad this year and has acted as assistant to Mr. Wright with the WHS thinclads.

### Coach Lovett

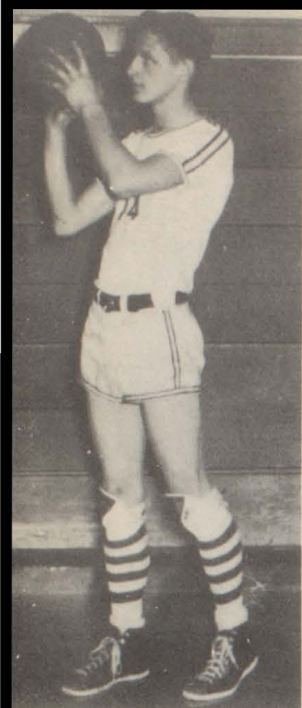

James P. Lovett, basketball mentor, coached another fine WHS basketball squad this year. Mr. Lovett has a wide knowledge of basketball and he has mentored varsity squads for 6 years. Coming from Duncan, where he coached a number of championship teams. Coach Lovett will, in the future, continue to turn out good teams.

Coach Lovett, with a crew of six footers on the Winslow basketball squad, guided the squad into the state tournament for the third consecutive year.

The Winslow hoopsters proved a strong contender in the conference as they placed third in the N. A. I. A. tournament. In regular season play the Bulldogs did not fare so well, winning ten and losing nine.

But the W H S cagers came through where it counted the most — in the tournaments. In the N. A. I. A. they edged Holbrook after being previously beaten three times by the Roadrunners. In the state tournament they reached the semi-finals only to lose to Ajo by one point.

Lyle Jenkins gave Winslow wide recognition by placing on the All-State basketball first five. The last W H S player to gain this honor was George Haynes about twenty years ago.

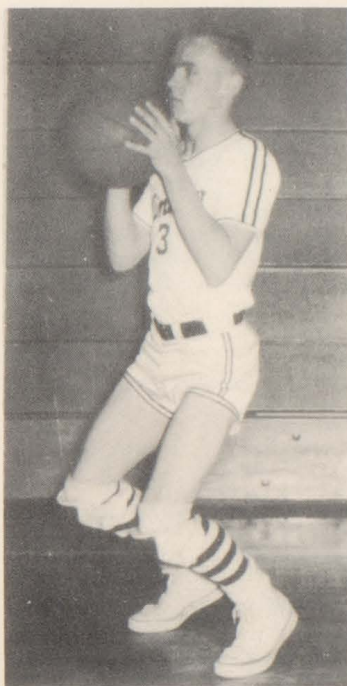

The Bulldogs cagers compiled 1400 points to their opponents' 1260. They played total of 29 games, winning 16 and losing 11.

### Lyle Jenkins

Lyle Jenkins was the second player in W H S history to be on the All-State first team. Lyle also made second team All-Northern. Jenkins led the Bulldogs to victory more than once by his all-around play.

### Bob MacLean

Bob MacLean, Junior forward, in his first year of varsity ball, was named to the first team All-Northern. Bob was known throughout the north for his rebounding and dead-eye shooting.

### Kenneth Wetzel

Kenneth Wetzel, although only a Sophomore, was named to the second team All-Northern. Kenneth's rebounding and floor work helped the team to win their games this year.

# Track

Front row: R. Hanno, B. Martinez, D. Higbee, M. Scott, L. Ramirez, M. Ramirez, K. Crawley, D. Hanno, F. Carrillo, D. Schroeder.

Second row: B. Leonard, T. Walton, N. Pruett, P. Florez, M. Garcia, E. Natseway, W. Robinson, N. McKinney, J. Scott, R. Heglund, D. Matthews, C. Jenkins.

Under the supervision of Coach Wright, the Winslow thin-clads, last year, participated in the annual Winslow Invitational track and field meet, and also the Holbrook and Prescott meets. The trackmen placed second in all three of these Invitational meets. This year with a lack of experienced boys, "Doc" Wright's squad has, nevertheless, progressed satisfactorily.

# Baseball

George Bates, Lonnie Foster, Kenneth Ahmie, Fred Padilla, Ray Rubi, Don Montoya, Bob Boggan, Alvin Montoya, Emil Nasser, Franklin Carrillo, Sidney Travis, Paul McCormick, Bill Mead, Bob MacLean, Bill Watson, John McNelly, Garland Moore, Bernie Gonzales, David Magee, Jim Crimmins, Robert Rupe, Wesley Singleton, Jim Tipton, Ted Manker.

After a very successful season last year, Coach Nasser has high hopes of building, with his nine returning lettermen and Jr. Legion prospects, another championship team.

Gene Pisel, named to the first team All-Northern, caught many an opponent off guard by his aggressiveness. The spark plug of the Bulldogs was also given All-State Honorable Mention which he well deserved. In addition Gene was chosen Co-Captain and Homecoming King by his teammates.

Gene Pisel

Nelson Goldsberry, although out most of the season because of a neck injury, was given All-Northern Honorable Mention. He quarterbacked the Bulldogs until injured during the Mingus game and was chosen co-captain.

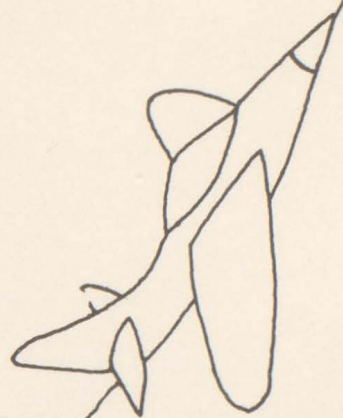

John McNelly

John McNelly, a promising Sophomore tackle, was placed on the Second Team All-Northern. After a very promising season, great things are expected of Johnny in the future by WHS.

The Honor Society is a small but active group in WHS. In addition to continuing their "Share the News" project begun last year, the local chapter acted as hosts to the Northern Arizona Convention of the National Honor Society on April 9, 1952. Approximately 100 delegates were present at this convention. Discussions centering around the theme "Streaking Toward Progress" were presented by the various schools. The presentation of the induction assembly was exchanged with the Flagstaff Chapter again this year.

## SPANISH CLUB

The main project for the Spanish Club this year was to purchase a record player for use in the Spanish department. The Spanish club in 1950-51 left money with which to purchase Spanish-speaking records for learning to speak the language properly.

Meetings of the group are held at regular class time, twice each month at which programs in Spanish are presented. They held a sock dance and had a party in the Home Ec. room on Feb. 25.

The WHS Rifle Club was granted a charter by the National Rifle Association in 1939, and is affiliated with the national organization sponsored by the US government.

The object of the club being to teach members the proper handling of fire arms, awards are earned every year by students who have learned the advantages of using guns safely.

# F. H. A.

For the student interested in the Home Economics Field, the F.H.A. is the extra-curricular activity at Winslow High School which offers to fill the gap between the actual courses of study and the everyday experiences. Under the able leadership of Mrs. Lola Davidson, we took part in the convention held at Holbrook in November, 1951. Also we held a successful tea to which all Home Economics girls were invited. Meetings were held on Thursday of the Second and Fourth weeks of each month at which we learned things of value, and enjoyed social hours. We made a quilt as a project which was both educational and profitable to our organization. We held a "Hobo Day" in which all the members dressed as tramps and did various jobs for people throughout the town. With a successful past behind us we are now looking forward to the summer activities.

## MIXED CHORUS

## CHORUS

The WHS Choral group is divided into two sections—Girl's Chorus, and Mixed Chorus. Both groups presented the Christmas Music Concert along with the band.

To be eligible to participate in the NAIA Spring Festival, each chorus member had to prove his worth by singing a solo. In preparation for this Festival, the annual pre-festival concert was given to indicate which soloists, trios, and other groups would attend the Festival.

The choral groups sang at the Graduation ceremonies in honor of the Seniors.

## BAND

Under the direction of our new music teacher, Mr. William Brown, the WHS Band marched at all games, and presented several pep assemblies.

The band was lead by Audine Hodge, head drum majorette, in an elaborate new costume, and three other majorettes in snappy white corduroy. Our peppy Band executed original and sometimes amusing drills.

The group journeyed to Phoenix to the State Fair for the third successive year. They also participated in the pre-festival concert prior to attending the NAIA Spring Music Festival.

## "W" CLUB

The Lettermen's Club, under the presidency of Gene Pisel, was, for the first time, one of WHS's leading organizations. After the new members were initiated in the fall, the club began rolling, and remained in the public eye throughout the year.

Their definite ruling against lettermen allowing their girl friends to wear their sweaters and the type of award sweater a girl might wear, again made the award sweater an honor, as it was originally intended to be.

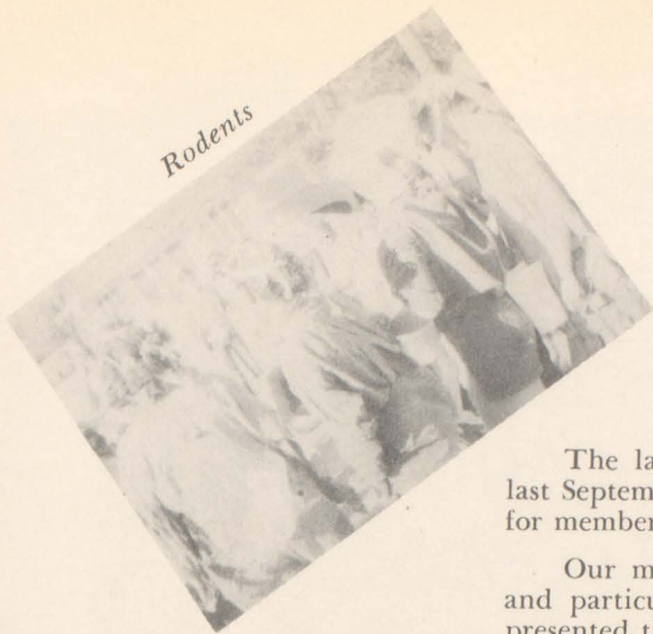

A suitable climax to their successful year was the first "W" club formal dance held in March.

The largest Pep Squad in the history of WHS was enrolled last September when girls from Sophomores up were made eligible for membership.

Our main project was promoting school spirit before games, and particularly before Homecoming. Pending Homecoming we presented the annual assembly at which our Royalty was crowned. A striking torch-light parade and a beautiful "W" provided a suitable anti-climax to all Homecoming activities.

The Girls Athletic Association was organized this year under the sponsorship of Charlene Orr.

This club provides the only girl's sports in WHS, and meets after school to play volleyball, basketball or baseball. The members get a certain number of points toward earning a letter, and may wear these letters on an award sweater.

Dorothy Stromberg	Secretary
Beryl Burt	Treasurer
Bernard Kenna	Council Rep.

The Thespian National Honor Society was first organized in WHS in 1937. Membership is determined by dramatic points awarded to students who qualify in dramatic arts.

For the first time, a fall initiation was held following the Senior play, "The Brain Storm," and a second initiation in the spring following the Junior play, "Clementine."

In March, the Thespians presented an old-fashioned melodrama.

The CAPC has been an organization in WHS for several years, but it little known because the meetings are held at the Airport.

A few members last summer attended a CAPC camp, and more are planning to do so this summer.

The Corps this year enrolled more girls than ever before, who along with the boys, wore regulation Army uniforms.

Glenn Olmstead sponsors the group.

Amongst the extra-curricular activities at Winslow High School is the Science Club which offers the student interested in Science a chance to broaden his knowledge in that field. The 23 active members, under the direction of Lester Taylor and Clyde Gardner, met twice a month to enjoy spectacular experiments, reports on recent scientific discoveries, and informative talks by prominent townspeople. During the Christmas holidays they relaxed and enjoyed themselves by having a party, but returned to "honest" labor after the vacation.

The Bulldog Barks is published bi-weekly by the Journalism class.

The writing, make-up, and printing of the newspaper were new to all staff members in September, but soon they learned enough of these practical phases of newspaper work to publish a four page edition. By second semester, feeling very sure of themselves, they enlarged the paper to six pages.

The informality of this class, the poise-building experiences in interviewing people, and the know-how behind writing stories on the spur of the moment have prepared these students for a fair beginning in the Journalistic field.

*Teen Center Committee: Wanda; Clydine, Chairman; Dudley; Norma.*

The most important Council undertaking this year was the laying of the foundation of the Teen Center. A \$2,000 allotment from the Community Chest plus a \$500 contribution from the student body made this beginning more of a reality. The committee has hopes that the Center will be completed by next fall.

Delegates to the Student Council Convention at Kingman were Dudley Mack, Dewayne, Wheeler, Mina Nichols, Norma MacLean, and Bill Watson. The council received welcome aid from our new Principal, John K. Herrera.

The Key Club, sponsored by the Kiwanis Club, was organized four years ago. Becoming increasingly important in school life, this club is composed of boys with at least average grades from Sophomores up.

Its purpose being to help the school in any way, the Key Club this year finished its project of buying the movie projector for the school. It also sponsored dances, candy sales, entered a float in the Homecoming parade, and took care of the operation of the gum machines which benefit underprivileged children.

The Key Club meets with its supervisors, Dr. Harry Simmons and Dick Henry, every Thursday noon at the La Posada.

We presented our annual assembly on February 21. Future Thespians presented a one act play entitled "Don't Call Me Junior." Other members displayed their talent by playing the trumpet, piano and flute. The roaring 20's were brought back by the Reis version of the Charleston. A "tapping two-some" brought our assembly to a close.

The girls and boys starting out in Jr. High found interest in new activities such as P. E., dances, Pep Assemblies and being able to participate in the Bulldog Rumpus. We finally mastered the art of opening lockers and changing from class to class.

During the year the magazine drive sponsored by the Senior High proved to be very worth while. From the proceeds we were able to purchase suits for the basketball team, a phonograph and records for the student body.

We won the Gold Medal Basketball Tournament and organized the Junior High Pep Squad which topped off a swell year.

Although the Class of '56 will leave to take its place in high school, the Class of '57 will move in, to be the "wheels" next year.

It's a long, hard climb; true! But if you aim high enough, any labor involved in the climb upward will pay off in results many times over. # Editorially Speaking

The job of producing your 1952 Meteor has, it goes without saying, involved a fantastic amount of work mingled with hair-tearing, worry, grief, and loads of fun. Now it is in order to give thanks to those people who have carried their share, and in some cases, more than that.

Undying gratitude goes to all those who were not even on the staff, but who worked so hard to meet our deadlines. Many thanks go to our sponsors, Lee Coover and Jerry Neumann, who not only advised us, but also who pitched in and helped on all the odd jobs. Especial thanks go to our one and only photographer, Skippy Cox, who did the work of three. To our advertising managers, who spent many hours selling ads, thanks.

And to all the other hard working staff members who planned, cut, pasted and typed for long hours with no compensation except the hope of seeing a worthwhile Meteor, out on time, my debt of gratitude cannot be measured.

But first, last and foremost — for those without whom this Meteor could not be published — thank God for our Advertisers!
